**"TIME TO DECLARE NUBIAN SQUARE!!!  
JOIN MAKING HISTORY!!**

There is a national movement happening all across this country designed to remove all symbols or monuments named after any individuals with a racist past and supporter of slavery. In the City Of Boston the Black Community Information Center Inc. has been in the forefront of this effort for many years and led the effort to have Washington Park and New Dudley Street in Roxbury renamed "Malcolm X Park" and "Malcolm X Blvd. respectively.

For over the past five plus years the "information center" name change effort has focused on the renaming of Dudley Square and Dudley Station to Nubian Square and Nubian Station. That is due to the fact that it is a major contradiction having our primary commercial shopping district named after the Dudley family members that led the effort to have laws passed and that legalized slavery in maintained Massachusetts.

Due to the tremendous amount of community endorsements and supporters for the proposed "name change," the campaign name has evolved into being named and led by the Nubian Square Coalition. The stage has now been set for name change consideration as the "coalition" has reached an agreement with administration of Boston Mayor Walsh wherein a citywide non-binding question will appear on the ballot for the upcoming November 5, 2019 Boston Municipal Election. It is important to note that certain wards and precincts in Roxbury will be the determining factor as it pertains to the final vote count. We need your "YES" vote on election day to support the "name change" to Nubian Square!!

We at the Nubian Square Coalition are in need of volunteers for phone banking, door knocking, etc. before and during election day. We encourage you to attend our planned "Information & Volunteer Recruitment Session (see flier attachment)" to be held on this Saturday, October 12, 2019 at 2:00 PM. The "Session" will be held at the Roxbury Boys And Girls Club located at 115 Warren Street in Roxbury, MA

Join the ranks of "name change supporters ranging in from religious institutions, businesses such as the former A Nubian Notion Inc., One United Bank, neighborhood associations, over 2000 petition signatures and community luminaries such as the legendary Mel King.
